MESSAGE FROM DIRECTORS

Wow. 22 years. It's crazy how much things have changed, but it's even crazier how much they're the same. AFO is still AFO, Florida's longest-running anime convention and Florida's favorite anime convention.

Every year, we see familiar faces and new ones, and we make it our goal to put smiles on every single one. Even if your cosplay is finished up with hot glue in the hotel room, you don't make it to every panel you planned on, or you run out of room on your camera's memory card mid-shoot, we hope this weekend is full of great memories that last a lifetime.

Our fans are the best fans around. Many hardcore dedicated AFO attendees have been around since the beginning (before some of our staff members were even born!) Some are here for the first time and trying to figure out what "Orlandia" means. Wherever you are on that beautiful spectrum, we want to say "thank you." Thank you for being part of our convention community. Thank you for making Anime Festival Orlando your home for a weekend, or even a day, once a year. Thank you for being your weird, magical otaku self in our presence. While we may not get to meet every single one of you, we're so glad you're here.

We hope you enjoy what we have in store for AFO 2023 as much as the staff, the special guests, the featured performers, and your fellow fans have enjoyed putting it together for you.

Let's make it another great Anime Festival Orlando!

Oh, and of course, Happy Pride!

Yours Truly,
Diana Galvin
Director, Projects and Marketing
Anime Festival Orlando

CONVENTION CODE OF CONDUCT AND WEAPONS POLICY

CODE OF CONDUCT

In order to make your convention experience and that of your fellow con-goers a pleasant one, we require everyone to observe the following rules. Persons violating this Code of Conduct may be asked to leave Anime Festival Orlando and have their badge revoked. Please have your Anime Festival Orlando badge or wristband openly displayed and visible on your person at all times while at the convention. Failure to present a valid badge or wristband when asked by an authorized representative of Anime Festival Orlando may result in expulsion from the convention. Anime Festival Orlando reserves the right to refuse entrance into the events or service to any individual or group at any time.

- Anime Festival Orlando is committed to creating a safe environment and positive convention experience. Respect your fellow attendees and report incidents of harassment to AFO staff.
- Disorderly conduct and disruptive behavior is prohibited.
- AFO is requiring that any costumes with weapons as props be registered and peace-bonded if necessary. Weapons are defined as any item that may intentionally or indirectly inflict injury or disturbance, such as guns, swords, and staffs. However large wings and oversized costumes may also cause injury or damage so please be aware that a staff member may restrict your entrance to certain areas such as the Vender room, or Video Arcade. Please be aware that any staff member at any time may request to inspect any prop or costume, or ask you to remove any offending item(s).
- Please keep in mind that although AFO is the only event at the Wyndham Orlando Resort, during this weekend, we are not the only guests. Do not brandish or display weapons randomly as doing so may cause adverse reactions from guests not attending the AFO event, and we really don't want anyone getting into any trouble.
- Cosplay must be appropriate for the venue.
- Signs are prohibited unless it can be demonstrated the sign is an essential element of the character. As an example, Gemma Saotome in panda form.
- Fighting, sparring, horseplay or any other similar behavior will not be tolerated.
- Sales of merchandise or any other item outside of authorized AFO vendors is prohibited.
- Persons committing crimes including theft, vandalism, fraud, and destruction of property will be ejected from AFO and remanded to the custody of Orange County Police.

- If you are under 21, it is illegal to consume alcohol in the State of Florida.
- Do not sleep in public spaces, your car, the pool, or panel rooms. The convention area closes at 2 am on Friday and Saturday.
- Be courteous and turn off your cell phone while attending AFO events and panels.
- Events and panels that contain mature content require government-issued photo identification indicating appropriate age (18+) to enter by getting a wristband at the registration.
- 18+ wristband required for entry are required for attending 18+ events.
- Unless consent is given before the event by all people hosting and performing in the event, there are to be no cell phones out during 18+ events. This means they have to stay in a pocket, bag or other location that is not accessible by the owner. If a person is found to have a cellphone out for any reason during the event, they will be removed from the panel and/or further actions may be taken. Upon repeat offense, attendee may forfeit their badge as a consequence.
- Remember to take a break from the fun now and then to take a shower.
- Be excellent to each other and have fun at AFO!

WEAPONS POLICY

Years with AFO: 17 years attending 9 years on staff

Favorite Anime Old and New: Time of Eve / Spy X Family

Fun Fact About Self: I'm vegan, and I'm all about sustainability.

Favorite AFO Memory: Winning the AFO Happy Happy Cosplay GO GO GO Cosplay Contest alongside my cosplay group in my early years of attending the convention.

Rebecca

Name: Rebecca Homenick

Pronouns: She/They

Job Title: Director of Logistics

Years with AFO: 10 years attending, 5 years on staff

Favorite Anime Old and New: Old: Yu Yu Hakusho/ New: My Hero Academia

Fun Fact About Self: I love to knit in my down time, and am currently working on a scarf for my oldest daughter!

Favorite AFO Memory: I was first introduced to Orlandia in 2012, AFO was one of my first conventions. I started talking to the volunteers running Orlandia instead of playing the game, and fell in love with the idea. I started volunteering the next year and helped to run Orlandia in 2013. This was my first time on stage, and I'm not usually the one in the spotlight. But I had so much fun I couldn't leave after that. The rest is history!

Ryan

Name: Ryan Jones

Pronouns: He/Him

Job Title: Director, Operations

Years with AFO: 10 years of Volunteering, 9 years on staff

Favorite Anime Old and New: Old: Outlaw Star / New: Overlord

Fun Fact About Self: I have 2 pitbulls and 3 cats. I just absolutely love my kids!

Favorite AFO Memory: I would say growing up with the convention. AFO was a place for me while I was growing up that I wasn't the shy, nerdy, and gay kid who obsessed over anime and all things Japanese culture. While I was at AFO, I felt like a normal kid and that helped get me through the very pivotal years of high school. After high school, I was even more involved in volunteering at the convention. I wanted to help younger kids like me have a safe space to be themselves. All the while volunteering I got to learn all about the convention. This helped me step into leadership roles. These roles allowed for even more experiences that helped shape my career outside of AFO and now I worked my way up to be one of the Directions that get to help oversee the entire operation of the convention. TLDR: Volunteering helped me grow and learn!

ORLANDIA

Tales of Orlandia is a Live Action Convention Experience (LACE) exclusive to Anime Festival Orlando. Every year, the Tales of Orlandia team picks a theme, such as Cyberpunk, High Fantasy, Superheroes, and other themes that fall into the realm of anime and Japanese culture; then based on that theme they craft this unique experience.

Attendees of the convention are invited to become Orlandians and take part in this interactive show and game where they get to directly affect the Tales of Orlandia story through quests, card games, and other forms of gameplay. Tales of Orlandia is completely free for AFO attendees, and is intended to be enjoyed amidst your other convention plans; although it can be enjoyed as your main event as well. All players are welcome, no matter your level of commitment to the game.

HOW IT WORKS

Tales of Orlandia takes place over the entire convention weekend, with the main story being told through a scripted stage show. This show will introduce the setting, the conflict, and the various factions at play in the world this year. The show usually takes place in 3 acts and is spread across the weekend; Act 1 during Opening Ceremonies, Act 2 as its own show, and Act 3 at Closing Ceremonies.

HOW TO PARTICIPATE

Want to participate and potentially affect how the story ends? Aside from the main story told on stage, there is a dedicated room at the convention, nicknamed the Tavern, where most of the action takes place. In order to participate, head to the Tavern and speak with someone at the sign-up desk to help you get started. They'll give you the basic rundown on how to get started playing and how to support your chosen faction.

THE NPCs OF ORLANDIA

Once you've chosen a faction in the Tales of Orlandia conflict, you will begin to meet an array of non-playable characters, or NPCs. They will guide you, challenge you, and sometimes even entertain you. Most NPC's even have their own unique storylines and quests throughout the weekend, running concurrently to the main storyline.

WARRIORS OF ORLANDIA

Tales of Orlandia has its own unique collectible card game, or CCG, known as Warriors of Orlandia. Warriors of Orlandia is a fast-paced CCG featuring tactical turn-based combat. Every year a new set is created and can be completely collected for free by playing the game. A team of game designers and artists builds a full deck of cards and promotional items each year that fit the theme of that year's Tales of Orlandia experience. Playing Warriors of Orlandia is great way to earn points towards your faction.

MORE WAYS TO PLAY

Playing the Warriors of Orlandia card game isn't the only way to lead your faction to victory. You also have the option of playing carnival games, choosing quests from a quest board, or doing various other activities to earn points in the game. At the end of the weekend, the faction with the highest score wins the game and will be victorious in the conflict. Not only that, but for their contributions, the players with the highest scores receive prizes. In past years, prizes have ranged from custom Warriors of Orlandia boards to a pass to the next year's convention. So come join us and start your very own Tale of Orlandia.

TALES OF ORLANDIA: CHRONO CONFLICT

TIME IS UNRAVELING AND THE STAKES FOR ORLANDIA AS WE KNOW IT HAVE NEVER BEEN GREATER!

Time portals have once again opened up, and people from all across Orlandia's timeline are being pulled into a strange new dimension—one that exists outside of the timeline of Orlandia! This place outside of time acts as the hub for a war that is spilling out into the main timeline. Feudal warriors battle drones from the future while ray guns face off against cold steel blades. Two factions fight for the very future of Orlandia!

WITHERED HAND

The Withered Hand has emerged from the shadows. This sinister organization has been pulling the strings behind the scenes throughout Orlandia's timeline. Their leader, Porphyron, has built a machine that will reset the timeline of Orlandia and erase thousands of years of history with a new timeline, completely under their control.

RESISTANCE

The Resistance has risen up to put a stop to the Withered Hand, once and for all. Their leader, Jasper Addlestone, a humble engineer from the Skies of Orlandia, has gathered anyone willing to stand against this threat. Together, they vow to protect Orlandia and everyone in it.

Will you fight to protect and maintain Orlandia's history? Or will you choose to wipe the slate clean and start over? Join Tales of Orlandia: Chrono Conflict and play your part in deciding the fate of Orlandia's future!
